

This week in... **Guidance**

Mrs. Luzum visited our classroom and talked about different careers. Students used clues to brainstorm different careers they could have on the future based on tools that each career uses.

Students learned more about teaching, farming, cosmetology and acting to name a few!

This week with... **Mrs. A**

We have seen a lot of Mrs. A lately! She helped us learn more about trees last week, and she will come later this week to help us practice casting for our fishing trip! Students will learn how to cast properly so we can stay safe during our field trip!

This week in... **Math**

We are working on comparing numbers. Students are continuing to learn more about the equal sign as well as great than and less than.

Important Dates

May is a busy month in 1st Grade!
Here are some upcoming events
this month:

Friday, May 12: 1st Grade Fishing Trip

Friday, May 26: K-3 Relay Races

Monday, May 29: NO SCHOOL
